Halloween
Harvest

Tiny Tot's News

We are one month into the new school year and your children are having so much fun learning and growing already. They are all a great bunch of kids. October is here and it is getting cooler outside, so don't forget jackets on cool days. This coming month we will be learning about Fire Safety. Our Springtown Fire Dept. will be here the 12th at 9:15am. Please make sure you arrive prior to this because our driveway will be blocked with fire trucks. Tiny Tots will be **CLOSED**, Monday, Oct. 9th for our Teacher In-service Day. Each year our teachers participate in a full day of training in Early Education and related relevant topics.

The classrooms will be celebrating Harvest Day on Oct. 27th with a classroom celebration. Please sign up for snacks to be brought in. A sign-up sheet will be on the main door. Your child may bring in his/her costume to wear while we parade around the center.

We are very thankful to the parents who took time to participate in our fundraiser, thank you we raised \$187.25.

Parents, please keep up the hand washing during drop off times. Please continue to do your part in minimizing the spread of germs. If your child is running a fever, please keep them home till they are **fever free for 24 hours without medication**. If your child has a sibling, it is best to contain the illness at home rather than share it with the center.

Please be advised that our newsletter can also be found on our website at: www.tinytotslc.com if you have any trouble opening the newsletter from an e-mail attachment you can also get it under the calendar tab of our website as well as our lunch menu.

Infant Room

We had lots of fun during the month of September! The children enjoyed sensory play while learning about colors, shapes, counting, and rhymes. We made colorful footprint crayons, marble painted flowers, and read lots of nursery rhymes! During the month of October, the children and I will talk about safety, fall harvest, and of course HALLOWEEN!!

Happy Fall!

Older Toddler

In September, we had a blast! We focused on our shapes and colors in the beginning of the week. We finished September singing through some rhymes and taking a closer look at some simple machines they will see throughout their lives. We also enjoyed doing fun activities outside and enjoyed the weather. We played soccer, hide, and seek, Tree Bark Rubbing and many more outdoor activities!

In October, we will continue to learn about new themes (Safety, Harvesting, and Halloween). We plan to have a fun field trip to the pumpkin patch!

Here are some upcoming dates to remember:

- we will be closed Monday October 9th
- Pumpkin Patch Field trip Thursday October 19th @ 9:15

Happy Halloween everyone!

Preschool & Pre-K

In September, we had so much fun learning our shapes and colors. We painted pictures and loved mixing colors to make new ones. We have also been working hard to learn the letters in our names. We started learning the alphabet and practiced rhyming through different Dr. Seuss stories. We spent time talking about our families and even drew a family portrait. We had so much fun celebrating Grandparent's Day with such wonderful Grandparents.

In October, we will learn how to stay safe. Since it is Fire Safety month we will have a visit from the Springtown Fire Department. We will also learn all about the Fall Harvest. We will take a trip to Hausman's Fruit farm to pick pumpkins and apples. We will celebrate Halloween and make many fun decorations. We will also continue to learn the alphabet and work on our names and numbers. Happy Fall!!

Ms. Stefanie & Miss. Samantha

Young Toddler

September was a great month we made new friends and learned lots of new things. We learned about our shapes, colors, and we learned some nursery rhymes. In October, we will be enjoying a visit from the fire truck, we will also be learning about fire safety and what to do if there is a fire. We will also enjoy learning about harvest and making Halloween art and having a Halloween party.

Happy Halloween!

School Age

September was a very busy month for us. We began to get into our daily routine, began to work on homework, and made new friends. We took time to work on projects such as tangrams, word searches, and playing games. We will continue to be busy in October as well when we strive to decorate our classroom with fall and Halloween themed decorations. Reminder-- we are closed Monday, Oct. 9th. However, Springfield still has school.

Have a safe and happy Halloween!

Ms. Annie & Ms. Angie
