Tiny Tot's News

The Holiday Season is here and all the children are so excited to see what Santa will bring. Let us always remember the true meaning of the holiday as we share this special time with our loved ones and families. Tiny Tots wishes you all a Merry Christmas and a very happy New Year! Please remember to send in snow clothes (when it snows) for your child. We love to get them outside to play. In the event of a snow storm, please remember to tune into WFMZ-69 News for weather closings or delays. Please make sure your child's extra clothes bin is updated for this cold season, hat, gloves, etc.

Everyone is invited for our Annual Holiday Concert at Benner Hall, Richlandtown December 14th @ 6:30-8p. Your child has been working very hard on this production. This year's theme is "Holly Jolly Christmas" we hope to see all of you there.

Our Holiday Party will be Wednesday, Dec. 20th. Our special visitor will be stopping by at 10:00 am.

This month we're featuring a fitness web site for your families use. Each month we will feature a different web site for your convenience. Hope you enjoy!

Please be advised that our newsletter can also be found on our website at: www.tinytotslc.com if you have any trouble opening the newsletter from an e-mail attachment you can also get it under the calendar tab of our website as well as our lunch menu.

From all of us at Tiny Tots we wish you "Happy Holidays!" & "Merry Christmas!"

Infant Room

The month of November went by so quickly! We enjoyed the change in the weather and all the colors of fall. The children had fun collecting leaves and had lots of sensory this month. December will be just as exciting. We have many seasonal projects and play planned.

Wishing you all a very happy holiday season with friends and family.

Our Christmas Concert will be held on the 14th and Santa will be visiting Tiny Tots on the 20th.

Older Toddlers

As November came and went my toddler friends learned a lot about graphing different things such as the size and color of leaves. We talked about ears and why we have to use listening ears. We talked about season sequencing, and we had fun making all of our turkeys. The children enjoyed having our Thanksgiving feast and we were able to talk about things we were all thankful for. As December is right around the corner we will be talking about Christmas, the weather, and multi-cultural holidays. The children are looking forward to our holiday concert! Hope everyone can make it, Happy Holidays!

Miss Kasey & Miss Desiree

Preschool Pre-K

We hope everyone had a wonderful Thanksgiving. The month of November went by so fast. We enjoyed yummy food at our Thanksgiving feast. We also spent time talking about what we are thankful for and we learned about the first Thanksgiving.

We have a lot more exciting activity planned for December. We will learn about different Holidays and traditions all over the world. We will also have a Rocking Christmas Concert on the 14th and a Christmas party on the 20th.

Young Toddler

November was so much fun as we talked about the many things we are thankful for. We are looking forward to December. We will be learning about the weather, multicultural holidays, and, of course, Christmas! We are going to be making lots of arts and crafts and singing lots of songs based on what we are learning about. We wish you a safe and happy holiday season! Merry Christmas!

School Age

In November, we used lots of our time practicing graphing and listening. We made Thanksgiving themed crafts and wrote and talked about what we are most thankful for in our lives. We will make holiday crafts and talk about how the holidays are special to us! Have a safe and Merry Christmas! Happy Holidays!
