Tiny Tot's News

Greetings Friends and families of Tiny Tots learning Center,

It is hard to believe but we are just about ready to shift gears for our summer program. We have lots of fun activities planned for this summer. Let's not forget to congratulate our 2018 Pre-k Graduates, they celebrated their accomplishments this past Thursday with a wonderful performance that was enjoyed by all.

We would like to invite our Father's to our Annual Root Beer Social, Friday June 15th 4:00-5:00pm. There will be Floats & activities to do with your child.

We will start our Kids Club Summer Program Monday, June 18th

Please remember that the Center is closed July 2nd – 6th. We wish you all a wonderful July 4th!

We are all excited for the start of our school age Summer Camp. This year it will be led by Ms. Amanda and Miss Meghan. If you have not yet received a schedule and calendar you will receive one any day now. We have a wonderful schedule of activities and outings that should prove to be a lot of fun. Please be sure to arrive on time as many of our trips start early.

Parents, please assist in your child washing their hands upon arrival. Continuing to do your part will help minimize the spread of germs. If your child is running a fever, vomiting or diarrhea please keep them home till they are **fever, vomiting or diarrhea free for 24 hours without medication**. **If your child has a sibling, it is best to contain the illness at home rather than share it with the center.**

Please be advised that our newsletter can also be found on our website at: www.tinytotslc.com if you have any trouble opening the newsletter from an e-mail attachment you can also get it under the calendar tab of our website as well as our lunch menu.

Audra, Melissa, Marge

Infant Room

In the month of May we learned about the many different types of community helpers; along with the environment and ecology. We enjoyed the celebration of Mother's Day. The activity was fun and the food was yummy!

In June we will be learning about different types of animals and things that go. We will enjoy water play on sunny hot days to keep us cool so please start bringing swim suits, sunscreen, and water shoes if you have them. On June 15th we will be celebrating Father's Day with root beer floats and a fun activity. Hopefully, you can join us! Have an awesome month!

Toddlers

In May, we had lots of fun learning all about the people who work in our community. We even had a visit from police officers! We also learned all about the environment and ecology. We had a blast celebrating Mother's Day.

In June we will be learning about different animals and things that go. We will also begin our water play days, so please remember to provide a swim suit and water shoes for your child. We will be celebrating Father's Day on June 15th with our root beer float social. We are looking forward to seeing everyone there! Have a great month!

Miss Kasey & Ms. Desiree

Pre-K

In the month of May we had so much fun learning about the environment and different animal habitats. We also talked about different community helpers. We tried on a firefighter's helmet and jacket. We also had a visit from the Springtown Police. We were so happy to celebrate Mother's day with our Mom's and grandmothers! Everyone had a blast! Finally, we ended the month with our Pre-K graduation and Trike-a-thon. We are so proud of each and every graduate and wish them luck in Kindergarten next year!

In June we will learn about different animals and things that go. We will celebrate summer and start water play. We will also celebrate our Dads on June 15th!

Ms. Stef & Miss Samantha

Young Toddler

We have had a very fun and busy month! Mother's Day, learning about the helpful people in our community and about the environment around us.

During the month of June we will be learning about animals and things that go! Our summer program involves water play so please start thinking about sending swimwear, hats, sunscreen, etc.

We will be celebrating Father's Day on June 15th. We hope that you can join us!

Ms. Leeanne

Kids Club

The Kids Club group have shown they understand that they need to care for our planet. We talked about community helpers and celebrated our Moms! In June, we will be counting down the days until summer. We will also celebrate our Dads!

Ms. Amanda & Miss Megan
