Summer Program

Our Summer program provides structured learning experiences while school is not in session. Our program works with children 6-10 years old (completed kindergarten through fifth grade summer). Our program includes theme weeks that incorporate exciting activities, outings, games, arts & crafts, reading experiences, structured free play activities, and best of all, swimming.

We will be closed the week of July 3rd-7th!

Our themes include:

(may not be planned in this order)

- 1. We are Family
- 2. Wild West
- 3. Under the Sea
- 4. Science
- 5. Around the World
- 6. Superheroes
- 7. Lego Legends
- 8. Going Green
- 9. Detective Challenge
- 10. Camp Olympics

Our field trips are weekly and alternate between Mondays & Tuesdays.

Swimming is offered weekly. *Based on the availability of hiring a lifeguard.

Every Friday is Wheels Day and children are encouraged to bring along anything with wheels to ride, push, or control.

Registration

Registration is available for ten weeks
